LEAGUE

October 2008

Welcome to new members:

J. Nicol, A Huynh, M. Ho, D. Rigney,
K. Baker, K,J,O & M Lewis, D.& P Thompson, A &M Sloper, T. Wang, J. Maxwell R.Williams,
C. Tyndall, A. McDougall, P,A,R & E Robinson, A. Matocanza, S. Lawler,

This is your last issue of SHEPHERD NEWS if you have not renewed your membership.

Contact the membership registrar Lee Baker or download the renewal form from www.gsdl.info

German Shepherd Dog League Inc. of NSW

First of all I wish to give thanks and congratulate all the committee members for their efforts this year. Their dedication and selfless efforts have brought the German Shepherd Dog League into a position of moving forward with increased membership and profitability.

I also wish to thank your Vice President, Terry Jarvis, who assisted me in times during daytime hours on many occasions with various issues and PR work that was not possible for me to attend to due to daytime work commitments.

A special thanks to your secretary, Fay Stokes, whose dedication and efficiency has been much appreciated. Her tireless efforts are second to none with the portfolios of secretary, social and the organisation of the Bunning's BBQ fund Raiser.

The fund raising BBQ's at Bunning's have been profitable with much effort and assistance from a few dedicated members, Alan and Judy Connors, Greg Jones, Tony Darcy and Anne Mackenzie, just to mention a few. Fay Stokes introduced the idea and took it on board to organise and has been the main drive behind the Bunning's BBQ's.

Anne Mackenzie needs to be thanked as she has worked tirelessly as show secretary and I believe that all exhibitors are appreciative of her dedication and efforts to ensure that our shows are organised with precision.

Greg Jones has executed his duties with the point score calculations in a timely manner and Greg is thanked for his dedication and time spent on his input.

Puppy Listings has developed under the guidance of Pam Jarvis, which a thank-you must be extended to Pam, as this service is no longer a financial burden on the club funds. The number of breeders that use the service has increased and the results obtained from it are welcomed. Many positive comments have been forwarded in appreciation of the results that are being obtained.

The introduction of the Shepherd News and Newsletter distribution via the Internet has developed into a publication to be proud of. Craig has put a lot of effort into the publication and I would like to thank Craig Babbage for his effort and expertise.

Many have appreciated the service and assistance put into the HD/ED portfolio by Jodie Carroll. Jodie has been efficient and pro-active with her duties.

Alan Connors has expertly run the GSDL marketing portfolio and this is an important area to raise extra funds. Many thanks go to Alan for his expertise, time and effort.

The publicity of the German Shepherd with the general public is an important area and the Demonstration Team and our Publicity Officer need to be thanked for their dedication and efforts in this area.

So much work done by so few people.

The past year has been a good and prosperous year for the German Shepherd Dog League. Your management committee have been very conscience of the clubs budgetary constraints with the necessity to institute budgetary awareness and cost savings where possible so that the income of the GSDL is used wisely and loses of the past are not duplicated.

At the close of the financial year, our accounts show a reasonable profit for the year even after the final \$5000 donation to Dogs NSW for the lights at the Erskine Park club grounds and the payment of outstanding accounts that flowed over from the previous financial year. Particularly a great effort considering we entered this year with a loss.

There have been interesting developments and a progression of this organisation during 2008.

The Committee invested in special ink cartridge packs, at a very reasonable cost, that are attached to our inkjet printer. This will allow us to do our own volume printing very cheaply and GSDL publications and catalogues can now be printed in colour at a very small cost. Laurelle Riley introduced this idea as she used them herself. These cartridges are now used with Membership, Show, Shepherd News and Secretarial printing.

The GSDL website has developed well, although the initial theme development was costly. I have received many positive comments about the site navigation being user friendly which is pleasing. This feedback came not only from NSW members but also from members and executive of clubs in other states. I am sure your Webmaster, Fran McAdam, is also pleased with this response and is a reward for the time and effort needed to keep the site up to date. For those that have navigated the site, you would have noticed the many additional features and services for members introduced and there are more planned for the future. The responsibility of Webmaster is time consuming with efficiency and expedience required. Thank you Fran for your dedication.

The welfare of the GSD has been remiss in past years. We are embarking on an alliance with Animal Welfare to place GSD's that are in our tattoo scheme. The outsourcing of this service and the subsidising of by way of donations and fund raising will be another advantageous service to our members and the GSD in the future.

The Committee had a few changes during the year where caretaker positions were filled. The auditors have been changed due to a very reasonable quote to audit the books. This will save at least \$1500.

A new treasurer was appointed in a caretaker position after the untimely resignation of the treasurer due to health reasons. I wish to thank Suzanne Bradshaw for her time and effort put into this difficult position of treasurer.

Suzanne is long serving member and has held numerous committee positions. I wish her well in the future and thank Karen Eaton CACA for stepping up and filling this position.

Tony Darcy filled the Show Manager's position in a caretaker role due to our previous manager, Joe Genua, being unable to continue the role due to work commitments and I thank Joe for his efforts with this portfolio.

The State Breed Assessment was Tony's first introduction to the position with Greg Jones taking on the role of advisor and Master of Ceremonies with the show team and club members pitching in to help.

The 11th State Breed Assessment was re-invented since its demise in 2003. The number of exhibits at the show was a positive response to the re-introduction and also an indication for the continuation of this event on calendar in 2009.

The show went off well in a calm and relaxed atmosphere. The show committee experimented with a different schedule of judging the classes and this also met approval. The obedience/fun events went over well with the weekend as a whole being well received and a great success. Thank you again to those numerous members and individuals who assisted in its organisation prior to the event and also on the day.

The GSDCA National Breed Commission meeting was held on the last weekend in July. There were a number of interesting changes discussed and put forward to the 2009 AGM and these of course will be expanded on at a future time.

The fact that General meetings have not been attended well is disappointing. The weather and cost of fuel are contributing factors along with the fact that the committee believes that there is member confidence in the current management.

It needs to be stated that the GSDL is a members club and their input is essential and welcomed. This issue of General meeting attendance will be addressed in the near future.

Shepherd News

The introduction of the Shepherd News in its new format has been time consuming, at first with the gathering of members email addresses and the newsletters distribution via the Internet. Throughout the year the development of the newsletter has been ongoing with advertising and member contributions.

With the electronic Shepherd News being accepted well it has been a cost effective and profit making action by the committee. Emailing the Newsletter has made communicating more regular and effective with League members.

It has been disappointing that only one branch has contributed branch reports for the entire 2008 Newsletters and that some members felt that the Shepherd News was favouring the one branch, all I can say is that all Branch Managers were contacted and asked to supply a report for publishing.

I have been told that I do a wonderful job, this is true.

It is only because of the Members and committee who take the time and make an effort in supporting their club to supply materials for publishing, I would like to thank all those members for their contribution to your Newsletter.

If you have something you would like to contribute feel free to email me. I would also like to thank Fay Stokes whose dedication and efficiency suppling information has made the job simpler and Lee Baker for updating email addresses constantly, it's amazing how often members change their email address.

Thankyou
ED

Christmas Social & Presentation Evening

More details at end of newsletter

Secretary's Report

2008 has been a very busy year but a very productive one for the GSDL and the membership.

We started the year by having to virtually 'pick up the pieces' and endeavour to bring the GSDL back to the position it has always enjoyed i.e. the largest single Speciality Breed Club and I believe we are well on the way to achieving this with our steady growth in membership and financial achievements in bringing the club out of the red and back into the black and in repairing our relationship with Dogs NSW.

My position as Secretary has been made easier by the committee members I have worked with as any enquiries I have directed to the various portfolios have been acted on immediately which has ensured the smooth running of the GSDL.

All correspondence in and out of the League has been dealt with in a speedy manner and all contact avenues updated with the current details.

I am including the Social Secretary's report in with this report also.

We have managed to run profitable canteens and the sale of the Cadburys Chocolates has assisted in this area - I must thank Pam Jarvis and the Erskine Park Branch for their great participation in buying the chocolates.

We have run three very successful Bunning's BBQ's with another two to go this year and hopefully we will be able to do the same in 2009 although the profits from the November and December ones will go into 2009.

We have the Xmas Social to look forward to and we are trying out another caterer this year and the food they offer sounds great so I hope everyone will come along and enjoy a good evening.

Hopefully there may be someone out there who would like to take on the position of Social Secretary this coming year.

I would like to thank all those ladies who helped out in the canteen particularly Lorna who comes rain, hail or shine and who is not even a member and works all day long for us as well as Judy Connors who is always there to lend a hand.

Fay Stokes

Annual Report Marketing

This year has been very quiet regarding sales, but in the current climate it is understandable. I have new shirts and jackets with the League Logo available and are listed on the web site to view.

There are still a few 2007 Breed Survey books available if anyone requires one. Thanks to all those who come and visit me on Show Days.

Every success and good health to you all.

Cheers Alan Connors

Training Coordinator Report.

It has been an enjoyable year that has gone very quickly, unfortunately there was no participants for the instructors course this year but training went well and we all had some fun with our dogs.

The main event this year was our State Breed Assessment and Mock Trial and fun day, the show was a great success and I would like to thank Campbelltown, Erskine Park and Cumberland Branches for their support especially Campbelltown Branch who made a great effort to support all events.

Fun Events.

Slalom Event was won by Gianluca Alimeni he set the time standard and no one came close.

Dumb Bell throwing was won by my granddaughter Caitlin Reilly. I was a very proud grandma indeed!

Musical Hoops Opps ! SORRY I lost your name from Campbelltown Branch.

Hit the Target was won Gianluca Alimeni.

A very special Thank You to the GSDL Demo team who have done a fantastic job through the year and for their effort at the S.B.A. plus a big thank you to Pat Bailey for her effort in bringing the fire hoop and showing us how it is done. Gianluca tried his dog through the fire hoop and she performed like a trouper first time.

Unfortunately I will not be running for re election but I am always available to help out if need be.

Laurelle Reilly.

Vice Presidents Report 2008

Firstly I would like to congratulate the Committee of 2008 and thank them for a job well done. It was, as always difficult to pick up and run effectively when taking over from a previous committee, collectively you have done it well and you should be proud of yourselves.

My position throughout the year was to support Graeme in his position as President and he has done a sterling job and it was a privilege to work with him and the committee as a whole.

Due to Graeme's work commitments I was, with Fay and I thank her for her commitment, able to do the daytime shift things that needed doing when they came up and report back to committee. As an executive we worked well together and supported each other, which is essential for the smooth running of the committee and the club.

During the year I tried to source sponsorship for the club. I wrote many letters with some success but found it disappointing when after phone calls and follow up letters some of the sponsors were found wanting in the etiquette department by not replying at all to G.S.D.L. with a yes or a no or even that we have closed our books for sponsorship for the year so it is frustrating to say the least but we shall keep at it and hope something worthwhile comes along.

The days of big sponsorships have gone for the smaller clubs but we do have members out there that have the contacts to be able to help us and hopefully they might come forward and help to make the G.S.D.L. and it's shows what they used to be.

The League has run raffles and we have made some good dollars in running these raffles with the support of the members. Surprisingly though we do have some members out there with short arms and deep pockets who do not support the club but we still go forward without their contribution. Our sponsors in most cases donated the prizes and we thank them for their support.

Last but not least I would like to thank you the members for your support of the League and hope that your support is ongoing, we can only prosper with a good committee and a supportive membership.

Terry Jarvis

Obedience Demonstration Display Team Report

This year has been a change of Team Members in the "Demo Team". The Team has had some of our older dogs retired or passed on, so we have a lot of new young dogs and have decided to do our display on lead with sections for our advanced dogs working off lead. E.G. Recalls, Agility and some Novel Events.

We Have Performed This Year At:

April at Campbelltown "Pooches in the Park" twice due to the inclement weather after our 1st display. We were asked to compete again, when "Pooches in the Park" was re scheduled. This was very successful; the Local Paper loved us....with a big write up and lots of pictures.

Next we had our own State Breed; we did a small display, which I think went very well, especially seeing young dogs working together. Pat Bailey joined us with "Dasha" and displayed Retrieving Eggs, and then the Fire Wheel. Pat let one of our members Gianluca and his special dog "Lara" have a go at the Fire Wheel, which she did with great excitement....Thanks Pat for letting them have a go.

Our next Display was "Paws in the Park" with Baulkham Hills Councils "Orange Festival". The rain made this display doubtful, but the sun came out for us to Demonstrate. The Public were great they came and asked us for info on shepherds, and all dogs Re Training.

At 2.30pm the heavens opened again and Alan, Mathew and I, just got all our gear and gazebo packed away. I received a nice letter from Rae Woolnough and one from David Musson, thanking the team and hoping to see us next year.

Dogs NSW asked us if we were interested in a display for TAFE College Richmond, Saturday 20th Sept. I met Christine Sercombe at the College; she was impressed with our set up, info on the Breed and our display. Christine gave us Prime Spot (when you come down the drive, there we were right in front of "A Block") on the lawns with the flag poles.

Wanting this to be a great display, we asked if we could borrow the League P/A system, Greg told Alan how to set it up. We were a winner with music all day and lots of people.

Hawkesbury Agility came and spoke over our P/A announcing their Display, they were most grateful. We have been given a Certificate of Appreciation from TAFE and asked back for next Year's Open Day.

Kerry Christofi from Dogs NSW came and took photos of us. Our dogs mingled (on lead of course) with the Public got lots of pats and cuddles, and walked among the livestock, birds, rabbits, ferrets etc. we were very proud of them.

The next day Sun 21st Sept "off again we go" bright and early to "PETFEST" with Holroyd Council at Merrylands. This is one of our favourites, the Public love us, the dogs have kids, pat and photos taken.

We have great praise from Steve Austin, when he introduces us and our beautiful dogs, He tells people to go and speak to us and meet our dogs, as they are so well behaved.

I also was asked to be "The Mystery Judge" for the "Dancing Dogs Competition" and at the presentation Steve introduced me as, yes you guessed it Judge Judy from GSDL.

We are now going to prepare for the "BIG ONE" PET EXPO at Rose Hill Gardens, on 7th, 8th, 9th, November, We do 9 displays in those 3 days, expecting a lot from our dogs, and us. We would love to see some Members from the League, come along and cheer us on. We do 2 displays and The Breed Pageant each day.

Campbelltown's "Pooches in the Park" gave us \$300.00 with which we asked the Committee could we purchase a new Gazebo for the team, so our dogs and us could have some cover. Our Gazebo is great and makes a good shopfront for info and some marketing.

Our 2008 Demo Team Is;

Alan Connors	& Bo
Judy Connors	& Turner
Carol Hedge	& BJ
Tracey Lewis	& Chance
Irene Lawless	& Susie
Gianluca Alimeni	& Lara
Kirsty Ferguson	& Kody
Richard Field	& Jazz
Mathew Medlin	& Diesel
Rachel Tucaliuc	& Sheba
Annette Whiley	& Mr. Boof
Vicki Livingstone	& Isha
Emily Livingstone	& Kiah

With Thanks Judy Connors

Puppy Listing Report 2008

Puppy Listings over the last twelve months has gone from a negative position to a positive with the members taking advantage of and enjoying the service provided by the G.S.D.L. as backup to their own efforts to sell their pups.

Puppy Listings to me personally has been very pleasing and enjoyable, being able to help the puppy enquirer with help and direction in the purchasing of their puppy. I have enjoyed the position of puppy listing over the last twelve months and look forward to another pleasing year.

The listing have been going very well this year with the G.S.D.L website being of great assistance and we get a lot of enquiries direct from the website, it is also pleasing to see a lot of members taking advantage of it.

With a lot more people using the website the new purchaser is ringing the breeders and asking the right questions because they have been in touch with me and the website and are a lot wiser when they ring or email the breeder and are appreciative of this service.

I have had feedback from breeders stating that when puppy buyers contact them they are well informed which I believe is a plus for the service.

We have also added this year a section for older dogs which has also been supported, And we now have a section on the website with information on tracing lost dogs. The email the Puppy Registrar gets plenty of use and the enquires are answered in detail in quick time.

Breeders using the listings are sent a courtesy email about one week prior to them coming off the listing to see how the pups are selling and if they need to extend their time.

The majority of breeders do advise me when their litters are sold which is a condition of being on Puppy Listings and essential to the correct running of the listing service

As I said previously that I have enjoyed the position of Puppy Listing Registrar and helping people who are not sure whether they should or should not own Shepherd, whether they got enough room to keep one, also about when and where to train.

I have quite a few people who buy from our listings, also ringing up to thank me and tell me all about their new pup

Pam Jarvis

HD /ED Report for 2007/2008

This year (from October 1, 2007 to October, 1 2008) a total of 158 German Shepherd dogs for the NSW GSDL have been submitted for HD/ED reading by Dr Whyburn and Dr Lavelle.

The total cost being \$8221 for the period, all remittance going to the German Shepherd Dog Council of Australia.

During my term in the position a revised HD and ED form has been devised for the membership and is now fully operational and appears to be working.

HD and ED Forms are dispatched within the first few days of receiving the application and in most cases members are advised via email that their forms have been processed.

The system of digital X Rays has now been formalized and is now fully operational.

With the website in full operation the HD forms together with various other pieces of information have been placed on the web for members to use.

I take this opportunity to thank the members of the Committee for their help and assistance for my portfolio and for the opportunity to fulfill the position of HD/ED Registrar for period.

Jodie Carroll

Webmaster Annual Report 2008

During the last year I believe that GSDL website has been developing into a useful tool for both the members as well as visitors to the GSDL website.

I have revamped the GSDL website to make it, what I believe to be much more informative and user friendly. The major improvements have been the addition of the following pages

Forms - now centrally located with all the forms on one page to make them easy to locate

Stud dog directory , Breeders directory ,

Networking page, Shepherd News page ,

Show results which now includes photos .

A sponsors page to acknowledge our generous sponsors.

I would like to thank Craig Babbage for all his help with photos and graphics, the other committee members for their support, the embers who have kindly provided me with photos of their dogs and also all the members who have given me constructive feedback.

Frances McAdam

Show Manager Annual Report

I have only stepped into this role recently and with the assistance and guidance of other committee members I'm learning the ropes quickly.

Many thanks must go to Greg Jones commitment and dedication to running our previous shows this year and for the assistance he has given me.

At the State Breed Assessment and the October show you will notice a change in the order of judging. This I hope will make it easier for those showing in both rings.

If anyone has any ideas to make shows run quickly and smoothly please let me know.

It's nice to hear judges comment about the good sportsmanship shown at our shows, keep up the good work guys.

I would like to thank those members who assist in setting up in the morning and packing up afterwards, remember guys many hands make light work and no offer of help is refused.

If any members are interested in stewarding in either the breed or obedience rings please email me with your details so I can add you to my list.

Stewarding can be a very rewarding job; giving a good insight into how things work inside the ring I can highly recommend it.

Finally I would like to say I have enjoyed my short time as show manager and look forward to the next twelve months.

Thank you
Tony D'Arcy
Show Manager

Show Secretary's Annual Report 2008

This year has seen another decline in entries to our shows. Obedience trial numbers have also dropped, even with the introduction of the CCD class.

Are we at Branch level encouraging our members to trial?

Are we even teaching them how to trial?

It would be very interesting to have some opinions as to how to regain the numbers we used to have.

The League has conducted 6 shows this financial year; two championship shows two open shows and two championship shows at the Spring Fair, which is held in conjunction with Dogs NSW. Most of the shows made a small profit and the Spring Fair was very successful both in numbers and financially.

State Breed Assessment was re-introduced this year and was very well received by those that attended; hopefully we will see more exhibitors next year.

This year's committee has tried to reduce expenditure and keep entry prices down as much as possible.

We bought a new printer on which to print catalogues, grading cards etc, and this has reduced costs however it does come at a cost to some of us who have to travel to the club house and give up more of our time to do the printing and collating. My thanks to Fay Stokes & Lee Baker.

On behalf of the Club I would like to thank all our stewards, stenographers and Exhibitors

A special thank you from me to Judy Connors for laundering the vests and helping me pack them before each show

Ann Mackenzie
Show Secretary

From General Meeting October 2008

Should the ACT Club continue as a League Point Score Show?

Voting was unanimous that the ACT no longer be a League Point Score show because of problems with the obedience section of the show i.e. no German Shepherds competing.

September Herding Trial

The Herding Trial in September had been cancelled due to lack of entries.

This is your last issue of SHEPHERD NEWS if you have not renewed your membership.

TATTOO REGISTRAR'S REPORT GSDL Inc. of NSW 2008

2008 has been another interesting and enlightening year in many ways.

I have now been with this portfolio for close on nine years and have enjoyed a pleasing and co-operative relationship with those members who dedicate their time as Tattoo Officers for the GSDL Inc.

Last year I produced a summary of Tattoo and Microchip data for perusal and the following table is the reconstruction of it with further adjustments.

	2002	2003	2004	2005	2006	2007	2008 Preliminary
LITTERS TATTOOED WITHIN THE FINANCIAL YEAR 1/10-30/9							
WHELPS	1201	1073	1014	893	976	1063	678
LITTERS	212	186	186	152	167	187	111
Average per litter	5.6	5.8	5.5	5.9	5.8	5.7	6.1
LITTERS TATTOOED WITHIN THE CALENDER YEAR 1/1-31/12							
WHELPS	1085	1068	921	952	1008	972	442
LITTERS	183	187	166	165	171	176	68
Average per litter	5.9	5.7	5.5	5.8	5.9	5.5	6.9
MICROCHIPPING RESULTS RECEIVED WITHIN THE FINANCIAL YEAR 1/10-30/9							
WHELPS	521	518	376	408	371	506	581
LITTERS	85	86	73	83	65	98	98
OTHER	13	14	1	4	27	22	29

The income banked by the two schemes for the GSDL in the 2007/2008 financial year is:

Tattoo: \$3537.90

Microchip \$7363.9

Puppy books \$1020

This gives a total income banked of \$11921.80

In conclusion, I thank my tattoo officers for doing a fine and efficient job in support of our Tattoo system and our breeders.

Graeme Stevenson

NSW State Tattoo Registrar 2008
