### **OPEN DOG - JUDGE - FAY STOKES**

#### **Graded - 1-3 Excellent Select**

##### **I CAYOS vd NORISWAND SchHI (imp Gmy) aZ**

Janos Noriswand/Babette Noriswand

4 years - a Z stamp and Class I Breed Survey

Line Bred - Jeck Noricum 5-5, Marit Wildsteiger Land 5-4

He is sire typical, with two litter brothers and a sister Excellent graded in Germany and it is most important when choosing a stud dog to investigate their family history.

Already he has had 33 animals through the hip scheme from 26 different dams with a mean score of 3.2.

With 33 also through the elbow scheme he is in the 85% far above range

He has had 8 animals through breed survey for 7 Class I and I Class 2.

Cayos presented a progeny group of 22 animals - 7 males, 15 females from 22 dams - an outstanding achievement for the length of time he has been in Australia and able to present this size group in one State.

The group was sire typical, medium to large in size, medium to dark eyes. good dark masks, very good angulations of the fore and hindquarter, high withers into firm backs and overall well laid croups. The group presented very good overlines and in most cases very good underlines and the group all had very good coats and exhibited very good ground covering gait where the wither line was maintained.

Whilst this dog's progeny is not yet old enough for the Open Class the results of his progeny throughout the show have been outstanding with 20 animals exhibited and 20 placings - 6 x 1st, 4 x 2nd, 5 x 3rd, 2 x 4th and

I each 5th, 7th and 8th and I doubt that there is anyone that would not agree that this dog certainly well deserves the title of NSW State Sieger.

Medium size, strong dog of very good type and proportions with a very good masculine head and expression and dark eyes. He stands with a high wither firm back and very good length and lay of the croup. Very good fore and hindquarter angulation with broad thighs, Very good fore and underchest, presenting a very good top and underline. He stands correct in front and steps correct. He exhibits very good ground covering gait where the back remains firm and the wither line is maintained and he exhibits the correct spring in movement.

Line bred - Turnberry Nicolette 3-3 & Nicolette is an Arko Huhengrab daughter and one our top producing bitches having to her credit 2 Gold and 1 Silver Medal winner at 3 different Nationals to 3 different sires.

12 through the hip scheme from 8 dams with a mean score of 2.33

12 through the elbow scheme with a mean score of 67% which is still in the good range.

The dog himself has been graded Excellent Select on 3 occasions at Main Breed Exhibitions. He finished 4th Open Dog at this year's National and at most Nationals I can remember has finished in the top 10 which is a great achievement.

Don Pedro presented a progeny group of 7 animals - 5 males and 2 females from 7 different dams.

The group was medium to large, wit medium to light eyes, very well pigmented, but varied in type a little. The withers were high, firm backs and whilst the croups were generally well placed in most cases should have been longer. The sex characteristics were evident in the group. In movement whilst the group showed overall good movement the drive in most instances should have been more pronounced.

Commendable with this sire also is that he presented an Open Dog and Bitch as well as five other progeny throughout the show, with the open animals finishing 6th and 8th respectively with the excellent grading.

Whilst this dog is a locally bred dog and does not get the opportunity to present a large progeny group as do most of the imported animals because of his own achievements throughout his show career as well as his offspring he well deserves the title of NSW Reserve State Sieger.

Large, very good type and proportions, very well pigmented, very good masculine head and expression with good eye colour. High wither, firm back into a well moulded croup that could be longer. Very good fore and hindquarter angulation with very good fore and underchest. He stands correct in front and steps correct. Exhibits very good far reaching ground covering gait, maintaining his wither and sequence of steps.

3 **URAS v TRAFALGA (imp Gmy) aZ**

Fimo Kirchhok/Iris Trafalga

6 years old - a Z stamp - Class I Breed Survey

Line Bred - Amigo Beigier 3-4, Frei Hirschel 4-5, Fedor Noriswand 4-5,5

## Fedor Arminius 5-5

He has had 31 through the hip scheme from 18 dams with a mean score of 8.3  
31 through the elbow scheme and is in the 87% far above average range.

Uras presented a very good progeny group of 7 animals - 4 males - 3 females  
from 7 dams.

The group was very well pigmented with the desired eye colour and very good  
distinction between the sexes. Most animals had very good shoulder placement  
however the upper arms could have been longer and in most instances the wither  
should have been carried higher. Generally the croups were well moulded and  
displayed very good underlines. the group as a whole displayed very good movement  
but only in a couple of instances was the wither and topline maintained.

Commendable is the fact that this dog could present 3 sons and daughters in the  
Open Class but detracting from this is the fact that he could only present one other  
animal throughout the rest of the classes however this does not exclude him from  
the placing of 3rd with the grading of Excellent Select.

Medium size, medium strong elongated dog of still good proportions. Very good  
masculine head and expression with dark eye. Level wither with a nick behind, firm  
back and well laid croup which should be longer. Very good fore and hindquarter  
angulation. He stands correct in front. Toes could be firmer knit. He has good fore  
and underchest development and steps correct coming and going. He exhibits  
good ground covering movement where the wither line is not maintained and he  
tends to fall slightly on the forehand.

### **Gradings for remainder of class Excellent**

- 4     **\*CH.LASHADAS EXHIITIONIST AZ**  
Uras Trafalga/Spellbinda Kellys Pride  
2 1/2 years - medium size, medium strong, very good type and proportions  
strong masculine head, eye could be darker, high wither, firm back, croup short and  
slightly steep. Very good fore and hindquarter angulation, upper arm should be  
slightly longer and better angled, very good underchest, steps correct, shows very  
good ground covering ovement where he maintains his wither line.
- 5     **\*DELLAHUND KIC ATINALONG AZ**  
Uras Trafalga/Dellahund Unique Harmony  
2 1/2 years - medium size, strong, very good type, very good proportions and  
pigment, very good head and expression with good eye colour. High wither, firm  
back, well laid croup should be slightly longer. Very good fore and hindquarter  
angulation, very good fore and underchest, stands correct in front and steps correct.  
The dog should not become any deeper. Shows very good ground covering  
movement where the reach should be more pronounced and he should be a little  
firmer overall.
- 6     **\*ANDACHT YASKO AZ**  
Andacht Don Pedro/Anacht Mariah  
2 years - medium size, medium strong, very good type and proportions, very good  
pigment, very goo head and expression with good eye colour. High wither, slight nick  
behind, firm back, well moulded croup that could be longer. Very good fore and  
hindquarter angulation. Stands correct in front and steps correct. Good fore and  
underchest development, however the dog is still very raw and has a lot more  
developing to do. Shows good ground covering movement but falls slightly on the  
forehand.

- 7        **\*CONKASHA WHISKEY AZ**  
 Uras Trafalga/Conkasha Okalani  
 3 years - above medium size, medium strong elongated dog of good type and proportions with good pigmentation, masculine head and expression. Level wither, firm back, with a distinct peak in the topline and short croup. Very good fore and hindquarter angulation where the upper arm should be longer and better angled. Very good fore and underchest. Stands and steps correct. Shows good movement where both the reach and drive should be more pronounced and the peak remains in the topline.
- 8        **\*ALNCRYS TRACKER AZ**  
 Gagarin Bad Boll/Alncrys Leezel  
 3 years - large, strong, substantial, richly coloured dog of very good type, proportions and masculinity. Very strong masculine head where eye should be darker. High wither with nick behind, firm back, short croup. Good fore and hindquarter angulations, feet could be firmer knit. Steps wide going correct coming. The dog is presented in very very heavy condition. Shows good movement where both the reach and drive should be more pronounced and he should remain firmer overall.
