Good overall movement reach could be more pronounced, good topline.

## INTERMEDIATE DOG - JUDGE - MRS. F. STOKES

### GRADED - I VERY GOOD MERIT - 2-6 VERY GOOD

#### **1 \*SCHNEERBERG FIRE STORM AZ**

Scheer Jose Cuervo/Schneerberg Pure Charm

23 months - Double PI upper right - correct medium size, medium strong, sable dog of excellent type and proportions, very good masculine head with desired dark eye, high wither, firm back and well moulded croup. Very good angulations of the fore and hindquarter with good broad thighs, Very good fore and underchest. Stands correct in front and steps correct front and rear. In movement shows free flowing far reaching movement with powerful hindquarter drive and absolute balanced movement at the walk and gait. The dog presents much harmony both in stance and movement.

#### **2 VLADIMIR CHICKA WAH WAH AZ**

Uras Trafalga/Vladimir Olymp Brook

20 months - above medium size, strong, stretched, sable dog of very good type and still good proportions. Very strong masculine head with dark eye, slightly loose lips. Stands with level wither, firm back and well laid croup. Very good fore and hindquarter angulation, very good fore and underchest. Stands correct in front, steps correct at rear, slightly loose elbows. Shows far reaching ground covering movement but he should carry his wither higher in movement and the dog should be a little firmer overall.

#### **3 \*ANDACHT I AM LEGEND AZ**

Cayos Noriswand/Turnberry Super Impose

20 months - Large, medium strong, richly coloured dog of very good type and proportions with a very good head and expression ideally the eye could be a little darker. Level wither, firm back and slightly short slightly steep croup. Very good angulation of the fore and hindquarter with good fore and underchest development and good breadth of thigh. Stands correct in front, steps correct at rear and elbows still to firm. The dog presents a very nice picture in stance. During movement shows very good ground covering gait however tends to fall on the forehand during gaiting. The dog does not present in movement what he does in stance.

#### **4 LEISHJACLYN HAVEL DANCER AZ**

Cayos Noriswand/Nujaclyn Go Go Dancer

23 months - Well above medium size, medium strong, stretched dog of very good type, pigment and proportions with a good head but should have a little more depth of underjaw, dark eye. Stands with high wither, firm back and croup is well placed but short. Very good angulation of the fore and hindquarter, good fore and underchest. Stands correct in front and steps correct. Shows very good ground covering movement but would prefer him to maintain his wither line a little better in movement.

#### **5. FREMONT WET WILLY AZ**

As Du Domaine Du Val D'Aulnoy/Fremont Quest To Win

18 months - medium size, medium strong dog of good type and proportions but should have better pigment and colour. Good head spoilt by yellow eyes. Level wither, firm back and slightly short croup. Very good fore and hindquarter angulation however the upper arm should be longer and better angled. Good forechest, slightly short underchest. Stands correct and steps correct. Shows good movement but should have free-er forehead reach.

#### **6. CONKASHA QUANTAM RAIDER AZ**

Joanchell Condor/Conkasha Vanta

19 months - Medium size, just medium strong, richly coloured dog of good type and proportions. Good head but should have more depth of underjaw. Level wither, firm back and short croup, good angulation of the forehead but the upper arm should be longer and better angled, very good hindquarter angulation. Stands correct in front, steps narrow at rear and elbows still to firm. Shows good ground covering movement but the dog should show more masculinity.

3yrs 9mths. A medium size, medium strong dog of very good proportions and colour. Very good head and expression with dark eye colour and very good masking, Stands with normal wither, firm back, well laid croup of good length that could be longer. Good fore quarter angulation where the upper arm could be slightly longer. Very good hindquarter angulation. Good fore chest development that needs further development. Very good over and under lines. Stands correct in front and moves correct coming and going where hocks and elbows could be slightly firmer. Very good movement with very good reach and effective drive and wither height is maintained. Displays much power where the back remains firm.

#### **4<sup>th</sup> \*Durnstein Captain Kirk AZ**

\*Cayos vd Noriswand (Gmy) aZ / Durnstein Zensation AZ

2yrs 1 month. Medium size, medium strong dog of very good proportions. Very good head and expression, dark eye, very good ear placement. Normal wither, firm back, well molded croup which needs to be longer. Very good fore quarter angulation where the upper arm needs to be slightly longer. Very good hindquarter angulation where the upper thigh could have more breadth. Very good fore chest development and very good over and underline. Moves correct coming and going, hocks are straight, elbows need final firmness. Very good ground covering gait maintaining a firm back, with very good reach and drive.

#### **5<sup>th</sup> \*Aduale Fortune Hunter AZ**

\*Nujaclyn Latin Dancer A / \*Aduale Divine Diva AZ

3yrs. Very large dog standing on the upper limit of size. Medium strong dry dog of slightly elongated proportions. Very good head and expression with medium eye colour. Stands with a high wither, firm back and well laid croup of good length. Good fore quarter angulation where the upper arm is slightly short and slightly steep. Very good hindquarter angulation. Good fore chest development. Very good over and underline. Stands correct in front. Moves correct coming and going, hocks are firm and elbows could be firmer. Very good ground covering gait maintaining wither line, back remains firm but would like to see slightly more overall firmness in movement.

### **6<sup>th</sup> \*Sunhaze Outragious AZ**

\*Cayos vd Noriswand (Gmy) aZ / Sunhaze Lyca AZ

2rs 2mths. Large strong dog, with slightly elongated proportions. Very good head and expression with good masking that could be darker and medium eye colour. Ears are correctly set but are just slightly small. Normal wither, firm back, well molded croup that is slightly short. Good fore quarter angulation where the upper arm could be longer. Very good hindquarter angulation. Good fore chest development that needs to be more pronounced. Very good over and good underline where the under chest is a touch short. Stands correct in front. Moves correct coming and going where the hocks and elbows still need final firmness. Very good ground covering gait maintained through a firm back. The reach could be more expansive, drive is effective and wither is held in movement.

### **7<sup>th</sup> \*Eng Ch Shotaan Fabius (UK) AZ**

Ex von Arline / Sezana vd Kahler Heide

4yrs old. A dog of medium size and strength with good proportions and type. Very good head and expression, medium eye colour, ear placement could be slightly higher. Normal wither, firm back, well laid croup of good length. Good fore quarter angulation where the upper arm could be better angled. Very good hindquarter angulation. Very good fore chest development. Good over and underline. Stands correct in front. Moves correct coming and going where both elbows and hocks need final firmness, Good ground covering gait, maintaining normal wither height, back could be slightly firmer on movement. I would like to see slightly better balance and coordination between the fore and hindquarter as he moves a little hastily.

### **8<sup>th</sup> \*Andacht Armando AZ**

\*Ch Andacht Don Pedro AZ / Andacht Quina AZ
