## President Report:

Welcome to the second electronic Shepherd News with the first one being well accepted. This electronic media will be further utilised to communicate more regularly and effectively with GSDL members and keep them in touch on a more regular basis, in conjunction with our web site.

As each Shepherd News is issued, the past ones will be archived on the website for future reference. Members should consistently view the Calender of Events on our website as this has been developed to keep you informed of upcoming events.

The committee is now a third of it's way into our tenure with much ground covered to date. I am pleased to acknowledge their efforts, enthusiasm and time spent with very satisfying and effective outcomes.

Our Easter Championship show was a successful event again, although slightly low in numbers. The atmosphere was calm and many people commented on this relaxed atmosphere. Many thanks to Anne McKenzie, our show secretary, Greg Jones and Terry Jarvis for stepping in and taking the reigns in Joe Genua's absence, Fay Stokes for running the canteen and fulfilling the stenography duties, the Committee members who carried out their responsibilities with success and the many members who assisted over the two days.

The Shepherding Trial held in March was a successful event and hopefully will be a foundation for future more successful trials. Thank you to those members involved for the time and commitment in putting this event together. Such events can only promote our breed in a positive way to the general public.

The National is approaching and I wish the best of luck to all our members who will be attending this special annual event.

The Audited financial statements for the financial year 2006/2007 are available on the website and are password protected for 'members only' privileges. Members are asked to contact the Secretary [fay.stokes@bigpond.com](mailto:fay.stokes@bigpond.com) for the password if they wish to view these documents.

**The German Shepherd Dog League Inc of NSW**

to comply with DOGS NSW requirements

### Instructors Course

Instructors Course Starting on 17th April, contact your branch manager or the Training coordinator if you are interested in becoming an instructor.

### Registration of the colour sable

During January 2008 all state canine controls lost the ability to register "sables", and now can only be registered as "grey".

This has come about due to the upgrade to the ANKC computer system. The data entry is unable to alter the drop down box to sable.

The GSDCA will be writing to the ANKC, proposing to have this altered to sable. The Canine Control of WA will also be writing to the ANKC in support of this.

### Bunning's Raffle

The Raffle was won by Wombat a friend of Tom Devine. Our thanks again to Bunning's McGrath's Hill for their kind donation.

## GSDL March Sheep Herding Trials

After losing the use of sheep at the Bill Spilstead Complex for Canine Affairs at Erskine Park we decided to hold our March Sheep Herding trials at the property of Pat Smith in Lakesland. It took several months of hard work and some uncertainty, but finally the property was ready to hold the trials.

The sheep, accustomed to training with our breed, seemed to perform better with the bigger dogs, but there were still several Border Collies, Australian Shepherds, Cattle Dogs and a Bearded Collie who performed well.

Sheep herding is still fairly new for a lot of our members with our first trial being held last year in March and another in conjunction with last year's National.

Nevertheless, it was great to see so many German Shepherds (a total of 25 for the weekend) and their handlers entered, including mostly members of the Campbelltown Branch, as well as former GSDL Secretary Andrew Thor and his dog Sonja (Narathor Finesse) who passed the Herding Instinct test after only being on the sheep once before.

There were also several GSD owners from country NSW and Victoria who travelled far and wide to compete. Many of the GSDs were only up to test classes at this stage, with a total of 16 German Shepherds qualifying in their tests over the weekend.

We did, however, have a few GSDs entered in trial classes but unfortunately none made it through due to nerves or lack of concentration of the handlers.

A BBQ and refreshments were available, and the weather could not have been better. The atmosphere was relaxed and everyone enjoyed each other's company, with no breed discrimination between the competitors.

It was fantastic to see members of the Herding community rallying together to support each other, as well as commiserate and offer encouragement to those who unfortunately didn't make it through on the day.

On the whole it was a great weekend, and hopefully we'll have even more members of the GSDL competing in our trials in May. It's really amazing watching our dogs do what they were originally bred for.

### Erskine Park Branch News

Well another month has passed and not without some major news stories, the big one would have to be the birth of a baby girl "Piper" born to Tony and Danielle Byrne on the 13<sup>th</sup> March 2008 Tony and Danielle are long time Erskine Park branch members congratulations to you both from all at training and why were you absent from the March Show.

Also more babies coming along soon, more Grandchildren to Hetty and Steve Choy. Out of this lot we should get some up and coming handlers we sure need some new one out there. While on things that people do Aaron Barnes Hetty Choy's son has had the experience of a lifetime on board the Sea Shepherd chasing the Japanese whalers all over the Southern Oceans and trying to do his bit for conservation, good on you Aaron, "Save the Whales I say"

Well the March Show just passed us by and Erskine Park did well again with John & Lee Martens cleaning up, The Seniors with Lochie Alias Delahund Kic A Tinalong also gaining his breed survey class 1. Garry Connolly with Durnstien Captain Kirk, his first show first win good on you Gary. Marion Scaresbrook Aldaina Udela, Graeme and Karen Stevenson with Sundaneka Izzy Stardust

Tuesday Obedience nights are getting back into full swing again and also Show training Thursday nights are starting to fire with good roll ups so keep coming. Thursday night training usually finishes with a social get together in the clubhouse, don't think it's a closed shop everyone is welcome to come inside after training.

Carolyn Reilly is still hogging the limelight with another outstanding performance in double handling! That girl just won't give up so she had a snooze in the Clubhouse for an hour or so and woke up as if nothing happened, how is that for guts, who loves ya Babe "everyone" The Erskine Park Easter Raffle was won by Garry James; I hope all the chocolate has all been eaten and may it hang around your waist.

Greg Jones had a major operation to get the extra head cut off his shoulder; he is now walking more upright these days. If you ask him he has the small head in a bottle he might just show it to you if you ask, must have been all that time he spent down in the "Apple Isle" a little scary I must say.

Well can't think of any thing else must be some one or something that I forgot but that's the breaks "Mad Cow Disease"

I would like to thank the Exhibitors for their attendance at  
the Trial on Sunday and especially Greg Jones and Tony  
Darcy for their help on the morning of the trial in moving  
all the equipment down to the ring, I appreciated it  
immensely.

Tony also acted as a Steward in all four rings together with  
David Kilner. Without these gentlemen helping I would  
have had to do it myself. They also assisted in putting the  
gear away after the Trial.

The Trial itself went off without a hitch. Although there  
were only three qualifiers overall (two in Open and one in  
Novice) there were some lovely dogs there, and I am sure  
that it will not be long before they are in the winners circle.

Our Judge Mr. Peter Franks was most pleasant and  
professional. Our thanks also goes to Mrs. Joan Schmid  
who was our Dogs N.S.W. Trial Representative

I do hope that the Obedience exhibitors support the Trials  
more enthusiastically in the future! It is a great sport and  
enjoyable to all those watching and exhibiting.

Thank you and Happy Trialing  
Barb McKittrick Trials Manager

# "Titan" Police Dog 33

On Wednesday 12th March Dogs N.S.W. held a tree planting ceremony at the Bill Spilstead Complex for Canine Affairs Erskine Park to honour Police Dog Titan who was killed in the line of duty during a siege at Seven Hills in Sydney 23rd December 2004.

Titan was the first N.S.W. Police Dog to be killed by an offender. Senior Constable Sean McDowell, Titan's handler attended the ceremony.

Officiating were the President of Dogs N.S.W. Mr. Frank Pieterse, Promotions Officer Kerry Cristophi of Dogs N.S.W. Vice President of the G.S.D.L. Mr. Terry Jarvis who met Titan as a puppy represented the German shepherd fraternity.

Also present were his Breeder, Christine Anderson and League member Lesley MacGillivray who was there when Titan was whelped.

Dogs N.S.W had a granite plaque made in memory of Titan and this was set on a colourful sandstone slab in the small garden lawn in the front of Dogs N.S.W main building entrance.

Any one who visits should stop and take a look if you have not already seen it and reflect on what our wonderful German Shepherd dogs do and do willingly for us in all facets of things.

The German Shepherd Dog League thanks Dogs NSW. on an outstanding effort in producing this Plaque and the tree in memory of Titan in a so prominent place for all to see.
