PRESIDENTS REPORT – DECEMBER 2010

Welcome to the last Shepherd News for 2010. I take this opportunity to wish my fellow Executive and Committee all the best for the coming festive season and on behalf of my fellow executive and committee, I extend to all the members, a very merry Christmas and a happy and prosperous New Year.

Copy and paste the following link for your Christmas Card:

http://ak.imgag.com/imgag/product/preview/flash/bws8Shell_fps24.swf?ihost=http://ak.imgag.com/imgag&brandldrPath=/product/full/el/&cardNum=/product/full/ap/3166187/graphic1

There have been a few changes in the Committee since the AGM. Craig Babbage made the decision to resign as Shepherd News Editor due to personal reasons and I would like to thank Craig for his efforts with being the Editor of Shepherd News over the past few years. Bruce took on this role as caretaker and the position will be confirmed at the next general meeting. I am sure that our new Shepherd News Editor, Bruce Laughlin, will fill this role competently. There has also been a swap around of committee positions with Greg Jones taking over the role of Show Manager and Tony D'Arcy moving across to being in charge of the point score.

Fay Samuel has settled into her role as Social Secretary with the Spring Fair, the Christmas Open/Sanction Show and the Awards Night under her belt. Many thanks again to the members that assisted Fay Samuel with the undertaking of this role during those events.

The Breed affairs event held after the Spring Fair with a video that Dennis Vessey produced about the life and times of Percy Elliot was thought provoking. In summary it gave an insight into the development of the GSD world in the UK.

The GSDL has had another successful year in its progress. The audited summary of accounts is attached in this news letter. You will see further developments in the new year of 2011 and the Executive and Committee look forward to the implementation of these developments. Many of them were mentioned in my last report.

In conclusion, I hope everyone has a safe and enjoyable Christmas-New Year break.

Graeme Stevenson

We wish all our members (and their Dogs)

*a Very Merry Christmas
and a Happy New Year*

Notes to the Financial Statements

For the Year Ended 30 September 2010

1 Summary of significant accounting policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act NSW 2009. The committee have determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income tax

No provision for income tax has been raised as the entity is non assessable for tax under the provisions of the Income Tax Assessment Act.

(b) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Plant and equipment

Plant and equipment greater than \$500 are measured on cost basis.

Depreciation

The depreciable amount of all fixed assets, excluding freehold land, is depreciated on a straight-line basis over their useful lives to the association commencing from the time the asset is held ready for use.

(c) Inventories

Inventories are measured at the lower of cost and net realisable value.

(d) Provisions

Provisions are recognised when the group has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(e) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

Independent Audit Report to the members of German Shepherd Dog League Inc.

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of German Shepherd Dog League Inc., which comprises the balance sheet as at 30 September 2010, and the income statement for the year then ended, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committees' Responsibility for the Financial Report

The committee of the association are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the requirements of the Associations Incorporated Act NSW 2009 and are appropriate to meet the needs of the members. The committees' responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committees' financial reporting under the Associations Incorporated Act NSW 2009. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, subject to the above qualifications, the financial report of German Shepherd Dog League Inc. presents fairly, in all material respects the financial position of German Shepherd Dog League Inc. as at 30 September 2010 and of its financial performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
