# BRANCH NEWS

## Erskine Park GSDL OBEDIENCE – TUESDAY NIGHTS 7.30PM

A great night to socialise puppies or if you have a dog who needs obedience training then this is the night for you.

JUDY & ALLAN CONNORS

Judy and Allan have resigned their positions as Chief Instructor and Instructor of the Erskine Park Branch due to ill health.

Judy and Alan have worked tirelessly over many years for the League and I am sure we will miss them both but we wish them well in their retirement.

In the meantime, the Branch is being manned by Tony D'Arcy, Kathie Minton and Yvonne Spek until a new Chief Instructor is appointed.

THANK YOU, JUDY AND ALLAN FOR YOUR MANY YEARS OF SERVICE.

Congratulations to Pat Bailey with Koonski Dash o Pepper for winning the GSDCA Open Obedience trophy for 2016 with an average score of 195.5. Congratulations also to Kathy Minton with Koonski Just a Dash winning the GSDCA UD trophy.

## Erskine Park GSDL SHOW TRAINING – THURSDAY NIGHTS 7.30PM

No report submitted.

## Mid North Coast GSDL

The MNC branch of the League has had a very busy period culminating in our very successful members competitions held in Coffs Harbour. Our judges, Glynis Appleby and Jenny Yuen did a wonderful job and everyone enjoyed the glorious weather. Congratulations to the owners and breeders of the winners and thank you to everyone who travelled long distances to come to the event. It was great to see such a friendly and relaxed atmosphere where everyone helped each other out. Thank you also to Mel Groth who did a wonderful lecture on the Saturday evening and also did the breed survey along with Jenny. Congratulations to the three animals that successfully passed. Thanks also to Pam and Terry Jarvis for assisting in the survey and delivering the trophies, which were well received.

A huge thank you goes to the stud dog owners who kindly donated their dogs, this successful raffle was drawn at the event and the winners of the dogs were:

Yokon: Hannah Kelly  
Freddie: Jenny Orchard  
Djambo: Vicki McGinty

Clyde LSH: Lenore Halliwell Oakway NZ  
Jenky: Kerrie Griffis  
Labo: Debbie Rahurahu NZ

The winner of the lovely dog portrait was Peta Norris. Thanks also to Lynne Gehrke for donating this wonderful prize. We as a branch are overwhelmed with the generosity shown on so many levels. It is heartening to see that these things can be successful and fun and we look forward to hosting another event next year, indeed people are already asking when it will be! Until next time, enjoy your dogs .....

9<sup>th</sup> August 2017

Dear Professor Messler and the Members of the WUSV Board,

**Re: GSDCA – WUSV Special Meeting**

We have provided you with the minutes of the GSDCA Special Meetings held on 3 & 4<sup>th</sup> June 2017, and note the Member Club Presidents considered the Schedules as put to them by the WUSV CDO, but in some instances agreed to amend them based on what is applicable to our situation in Australia.

It is important to note that our Member Clubs considered the matters as put to them most seriously and had high numbers of members attend their meetings to decide on the matters to be put to the GSDCA Special General Meeting (SGM) as held on 28<sup>th</sup> July 2017.

An important decision made at this meeting saw us rescind our policy with regard to Schutzhund.

*(1989) - With regard to Schutzhund in Australia the Council takes the official view that whilst Schutzhund training is clearly of great benefit to the dog and has equally great sport and social benefits, the potential political problems associated with Schutzhund in Australia are such that the Council cannot give support to this activity."*

We now ask you please consider the attached document:

***"The GSDCA - WUSV Harmonisation Program: Summary of decisions as made at the GSDCA Special General Meeting 28<sup>th</sup> July 2017".***

As you are aware the GSDCA has had a long association with the WUSV. Our work has seen us follow the model as set many years ago and we have achieved much in promoting and ensuring the welfare of the GSD in Australia.

We now look to the future and can only trust the WUSV Board will continue to fully support our organisation and work for the GSD.

Yours Sincerely,

*Vince Tantaro*

## Bored of walking your dog? Stay fit this winter with dog sports!

Cooler months are ahead - the season for rest in the comfort of the indoors. But if you have a dog, hibernation is not an option. Our canine companions need daily exercise to stay healthy and fit, which has many benefits for you, too!

Fortunately, there's a whole world of dog sports for you and your dog to enjoy during the winter months and all year round!

"Participating in dog sports means getting out and being active, and once you're out and about with your dog socialising and learning, the opportunities that can open to you with a well-trained dog are enormous!" said Vicki Etherington OAM, a professional dog trainer and Board Member of Dogs NSW, the controlling body of purebred, pedigreed dog breeding and exhibiting in New South Wales.

"You don't have to compete in dog sports to enjoy your dog. Participating in dog sports is a social affair. You and your dog get to socialise with friends, do something you enjoy and maybe one day have a passion for it!"

Miss Etherington, who chairs the Dogs NSW Sporting Committee and is a member of various dog breed and activity clubs, said Dogs NSW offers a number of sports that run during the winter months, such as endurance, herding or sledding. You might also like to try your paws at earth dog, lure coursing, agility or even doggy dancing!

Some Dogs NSW dog sports have restrictions for participation, such as registering as an Associate member of Dogs NSW or having a certain breed type. But many of the sports are open to all dogs, including cross breeds, said Miss Etherington.

"Many people do dog sports for the fun of it. Plus, it gives their dog the opportunity to use its genetic background, such as in herding or gundog/retrieving. As long as their dog is enjoying the activity, that's what matters," she said.

"Participating in dog sports also helps to strengthen the bond between people and their dogs, giving dogs confidence and teaching them to read their owner's body language and listen for commands when they are out in public."

Dogs NSW encourages more young people to participate in dog sports, "as long as they can control their dog," said Miss Etherington. "Dogs benefit children in many ways; they not only help kids stay active, but also teach them to care about their dog and to care about others."

## Breed Survey

**Next Breed Survey will be held on 10 September 2017.**

Come into the club house at the conclusion of the Survey where Melanie Groth will present a lecture on "Talking Heads" .

At the recent Judges/Breed Surveyors Meeting in Adelaide Dr. Kirsten Hailstone presented an excellent lecture on Dentition in Dogs and I am sure between Melanie, Terry and myself we can pass on to members some of the most important things NOT TO DO with young German Shepherds relative to dentition.

This is also an opportunity to discuss German Shepherds in general.

Fay Stokes – NSW Breed Survey Co-ordinator.

## A story to tell

### "Up and Coming Handler"

No one can take away the smile from this young man's face. Brodie Morris did the Freevale Team proud with his superb handling at the June Show. Well done Brodie!!! A wonderful future handler in the making.

Pictured below with the National Council Age Group Award for consistent participation in Handler class's at Sydney shows and also 1<sup>st</sup> place at our recent 2017 June Show.

## Another Story to tell.....

### Leo (Vince) My Hero

Over the last few months I remember Leo waking me on several occasions. We now live in a unit (I gave up my mortgage and working because I realized he follows me around and only used the backyard when I took him out) which meant at 2 am, I pulled on clothes and took him for a walk till he wee'd and then back to bed. (one time I remember stamping my foot and instructing him to wee) It surprised me he didn't need to poo, considering the urgency he had been whining at me, but my only thought was to get back to sleep.

The last time a few weeks ago now, I woke to the gross experience of his snout in my mouth and shaking my head. Not being able to ignore him this time, I went to my GP and on to a sleep test and have been diagnosed with significant Sleep Apnea. During the sleep-over test I stopped breathing for 61 seconds on one occasion. I am now waiting for 28th of this month for a mask fitting and another sleep-over, adjusting a machine that will pump oxygen into me while I am asleep. I will have treats to train Leo to accept the machine. The specialist kept asking me, 'tell me your symptoms' and all I could say was, 'my dog is waking me'.

# YOUR OWN CANINE HYDROTHERAPY CENTRE – NO FRANCHISE FEES!

Be your own boss, work from home (25m2 is enough room so start) and enjoy making a real difference to the lives of dogs and their owners!

Help dogs recover following surgery or injury, and also those with more long term mobility problems. Not just for injuries - you will have a great 'low impact' form of exercise to keep any dog in great condition!

## What's included?

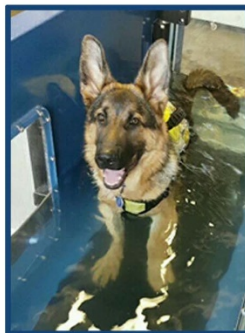

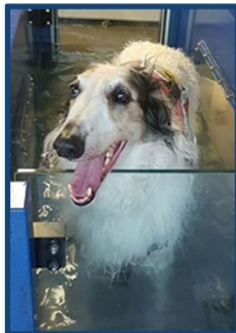

We have partnered with international industry leaders to provide you with the complete package – several options available and include:

- Recognised qualification & training – #1 success factor
- Equipment – Underwater treadmill, Dog Pool/ SwimSpa,
- Regulatory compliance, business set up support and more!

**\*Earn \$2000 a week working 20 hours or less!\***

We will do all the work setting you up, training and supporting you along the way. And the best thing? Despite all this you will pay less (in some cases significantly less) than going at it alone!
