GSD LEAGUE of NSW Shepherd News

Joanne Cathie

Annual Report From The Editor

A time to reflect on a year as GSDL NSW Shepherd news editor.

It has been at times challenging but learning 'on the job' and getting more members involved means that hopefully the issues will improve going forward. The year has seen 5 issues.

The decision by committee to feature show results and where possible pictures has been a very positive one I think – making the shepherd news a much more visually pleasing publication for all. There is also the opportunity to advertise in the newsletter – stud dogs, kennels or like the recent edition – a business. It is disappointing perhaps that not more members have taken this idea up as the membership list is large and covers all of NSW and branches out to members in other states. I urge you to get creative, get vocal, and celebrate your dogs' success with a page in the shepherd news! The pointscore year is over, so plenty of members now have lots to brag about!

Further to this, we are open to including any interesting stories or articles in the Shepherd News but these have been few and far between too. I have asked Louis Donald for the ok to publish next year from his back catalogue of articles in the hope that it might inspire some breed discussion – or even better, inspire some members to sit down and write something for consideration. A response to something already included perhaps?

We are open to any suggestions and ideas and this really is the members newsletter! So lets see you members get involved in the content!

I would like to thank the GSDL of NSW for the opportunity and free licence to put together and experiment with this years Shepherd News editions and I hope that it continues to grow as a colourful and informative representation of the very high standard of dogs, breeders, exhibitors and shows associated with the League club. I for one am always impressed by the depth of quality and the depth of knowledge here in NSW – that knowledge is there to be tapped into and I would encourage members to do so. Speak to the executive, speak to the breeders, speak to fellow exhibitors – learn and grow and continue to succeed – after all 'every day is a school day' for those who want to learn.

My further thanks to those who have sent articles for inclusion over the least year and to those who have in one way or another provided feedback – I am very grateful.

Enjoy this edition then – and as always, enjoy your dogs!

Jo

Shepherd News Advertising

Advertising in shepherd news for members costs \$30 per full page (\$50 dollars front page) – non members and commercial adverts prices on application.

ALL members of the GSDL NSW receive Shepherd News by post or email – it is an IDEAL way to advertise your kennel and spread your news.

Annual Report – Youth Officer

We have had a successful year within the portfolio. I would like to personally thank the multiple junior showmanship judges that have taken the time to give back to their GSD community and support the youth. Your time is invaluable and appreciated.

Some major achievements during the past year:

- Aligning the junior showmanship to the current DogsNSW requirements
- Advocating change to the junior showmanship GSDCA requirements to align with ANKC policy
- Establishing a junior showmanship pointscore to align to GSDCA requirements

Thanks,

Kurt Morton

Annual Report – Show Secretary

It is with mixed feelings I write this report it is the last one I will be writing as I am not standing for the position this year. My decision has got nothing to do with Age, infirmities, health reasons or the ability to do the job, I am Just tired of fronting up to our events and except for the “usual few” getting very little support from our members

The Tiki Friezer Memorial Trial was a perfect example. 8 entries 1 steward (who is not even a member of our club) who virtually ran the trial on her own. Very disappointing and embarrassing

We have had no social secretary this year and if not for Fay stokes and her family we would have had no canteen at our shows

In spite of my complaints above We have managed to run the following show events (no of exhibits in brackets) this financial year

December Open (38) and Sanction Show (85)

February Members Competition (97)

Easter Championship Show (177) and Trial (17)

June Open (51) and Sanction Show (99)

August State Breed (97)

October Championship Show (99) Trial (8) Members Competition (93)

My Thanks to Fay Stokes for her tireless work at shows. Our stewards this year Cathie Shayler, Caz Morris & Matthew Morris who have "slotted in" whenever they could

Once more a special Thank You to Judy Connors for maintaining the vests in such good order.

My very good wishes to the incoming committee. Hopefully we will get some new and enthusiastic people and if I can be of help at any time I am quite willing. I only want what is best for our breed and our club

Ann Mackenzie

Annual Report – Publicity

Our committee and members with their dogs have been busy throughout the year getting out among the public to educate them on the qualities and versatility of the German Shepherd Dog in a variety of activities.

Our first event for the year was the Sydney Royal Easter Show which was attended by Pam and Terry Jarvis, Graeme and Karen Stevenson and Deb Martin with three dogs in attendance. It was a very busy day with a lot of interest in the German Shepherd and questions on training and what the GSDL has to offer to support them. The dogs were fantastic ambassadors for the breed greeting people in wheelchairs, strollers and having many pats and cuddles.

On the 6th of May at Paws in the Park at Camden it was a more relaxed environment as the public brought their own dogs to join in the activities and socialise. Thanks to the members who helped set up the stall and to Tony Darcy and daughter Emma, Rodney and Di Coppini, Sonya and Ivan Pacek for bringing their dogs down and the support of Terry Jarvis and Graeme Stevenson. We had a variety of dogs from pups to mature in both LSC and SC. Photos of our dogs were also in the Camden Advertiser. As this was closer to the clubhouse there were more enquiries for membership forms and club information. A very well-run event which was most enjoyable.

Dogs on Show organised by Dogs NSW at their grounds at 16th June we had great exposure as we were one of 6 stands had to visit to collect a sticker for the \$250 Draw. Thanks to Jarvis for helping on the stand. Thanks to Les and Marilyn Darcy, Rodney and Di for bringing their dogs out to socialise and Wayne Curry and Deb Martin for visiting the stand with Enquiries were about joining the club and wanting to come to those who had just purchased a puppy and general questions purchasing the breed. Our biggest event was the 2-day Sydney Show at Moore Park on the 4th and 5th August. Graeme a 15-minute session at Ask the Breeder about the breed on Kathie Minton talked about obedience training on the Yvonne Spek spoke and answered questions on Sunday.

Wagstaff and Rose Camilleri had their German Shepherd, Kellie in the Blackhawk DockDogs where they launched off a dock into a massive pool of water. It was a great team effort over the two days with setting up and packing away, thanks to Tony Darcy, Pam and Terry Jarvis, Rodney and Di Coppini, Kathie, Yvonne and Graeme.

Orchard Hills on that the public Terry and Pam Nicholas, Tony and to Teresa their dogs. training for on owning and Dog Lovers Stevenson gave both days and Saturday and Wayne

We had four half hour sessions at Pat-a-Pooch where visitors interacted with a variety of breeds up close. The dogs lapped up all the attention. A very worthwhile event.

The final event for the year was Dogs in the Park at Penrith on the 16th September which was a new event for this year. It was very beneficial to the club as it was only 10 kilometres from the clubhouse and gained new memberships for the club for people wanting to use the obedience training. The dogs were very popular with the management team and public. Many photos of the German Shepherds were on the Dogs in the Park Facebook page.

The public brought their own dogs to socialise as well so we were able to meet their German Shepherds and give relevant advice. Thank you to Pam and Terry Jarvis, Lorraine Yates, Rodney and Di Coppini, Tony Darcy and Tom Devine for helping with set up, talking to the public and bringing your dogs along. Next year they are holding a similar event at St Ives as well which I have sent in an application form for. They are also introducing similar events on the Central Coast if anyone is interested please let me know.

These events are terrific for bringing our dogs out into the public to display the lovely nature of the German Shepherd but are also beneficial to the pups and dogs for their broader socialisation. If you are interested and are available for any of the events next year either with or without a dog, please let it be known to the committee as all are welcome. It is always popular to have young pups on the stand. The events will be advertised in Shepherd News, Facebook and on the website. I have enjoyed my first year promoting the German Shepherds outside the show environments and hope to be able to continue again next year. I really appreciated the support from my husband, Graeme, at each event as there is a lot of carrying and lifting. If you hear of anything you think we should be involved in let me know.

Karen Stevenson

Annual Report - Web Master

The GSDL web site is constantly being updated. Our current hosting company Netvitue is performing very well.

I recently added a tribute page to our "oldie" German Shepherds with 13's Club Honour Roll page <https://gsdl.info/breed/13s-club-honour-roll>

Fran McAdam

Annual Report – Training Co-Ordinator

I would like to give a huge Thank You to Tony d'Arcy and Yvonne Spek for their continued willingness to instruct at Tuesday night training. A big thank you also to Wayne Wagstaff for taking classes and doing an awesome job.

Thank you to Terry Jarvis, too, for stepping in when things were hectic and taking classes.

Tuesday training has taken new members on the first Tuesday of each month only, this has resulted in more cohesive classes with less disruptions. Our nightly "Bone Awards" have proved popular with our attendees, one winner per month receives free training the next month.

All classes are using the training equipment on a weekly basis, we are rotating the agility tunnel, the A-Frame, the Rally O stations and the formal obedience jumps.

In regard to Rally O training we no longer are able to offer a dedicated lesson per month, since Tiki Friezer's passing in May, Tiki had been taking a class each month since the start of the year.

I am taking all enquiries from our website regarding training and answering enquiries directly, it tends to get busiest as the first Tuesday of the month draws near. There are still too many owners leaving the training until their once sweet little pup is a ten month old unsocialised terror, whom they can no longer walk or is removing their washing from the line through boredom.

If breeders could stress to their puppy buyers to get their pups out to socialise and training as soon as possible then these pups could so much more easily become the best dog they can possibly be, and the owner learns as well.

I attended the GSDCA national Obedience conference in Melbourne in October. I raised a few agenda items and hope to have a national instructors training manual in operation in the near future, based on GSDV model.

Regards,

Kathi Minton

Annual Report – President

Well that's another one that has slipped by. The New Year did not start off well for the League with the loss of our long term Treasurer Karen Eaton due to work commitments in February after 8 year in the job. Thank you Karen for your support over the years and hope you find peace on the outside, and then a resignation from the new treasurer that was appointed by the G.S.D.L. to take over from Karen and now to our present appointment Lisa Yates who is bringing things together now.

I would like to thank our ever busy Secretary Fay Stokes who is at the sharp end of all that goes on in the Club and Graeme Stevenson for their input during the year on the executive and along with Lisa Yates in the Treasury department.

It would be remiss of me not to give a mention to our long standing Show Secretary Ann Mackenzie who after 27 years has decided to retire from the position. Ann went through the highs and lows of the position and was liked by all who came in contact with her. Thank you Ann for your sterling effort to remain in that position for so long we wish you the best in your retirement.

The website is going well under the guidance of Fran McAdam who has as always put things up as we need to notify members of things that are important. Face book has its own set of problems with people that that go onto it sometimes with comments that could be taken up at General meetings and worked on without all the who ha.

Fay Stokes, Graeme Stevenson and myself attended two National Council special meetings on behalf of the League which also having problems with the ebb and flow of opinions on various subjects that will eventually encompass all of you as members of the GSDL having to carry on into the future with the attitude of the SV and WUSV pushing and basically threatening some countries around the World with expulsion if they do not work to the program set in respect of IPO being a requirement for the progression of it at the insistence of the S.V. & W.U.S.V. This has now been decided by the ANKC and was a resounding no yet even though the SV & WUSV still think that they can bypass the GSDCA and roll on regardless when they are dealing with an unrecognised organisation (ANKC). The mind boggles and the pressure keeps coming, we just have to watch this space and hope that something will come to a head and hope soon it will be sorted.

I would like to thank the Obedience crew on Tuesday nights the progress that is going on at the Erskine Park Branch Tony D'Arcy, Kathy Minton, Evonne Speck and Wayne Wagstaff doing the instruction duties and it's good to see members enjoying their training with the variety now available for them and their dogs.

The League again has been involved in a number of promotional events during the year which proved successful in promoting the German Shepherd Dog to the public. This area of publicity and promotion is ably run by Karen Stevenson and it is building more as we are going along Thank you Karen and Graeme, Dianne & Rodney Coppini, Tony D'Arcy, Evonne Speck, Kathy Minton Pam Jarvis a big thank you to all of you and those members that dropped by with their dogs it all helps out and the general public do like to pat a Shepherd and the amount of people who join the club from these events is quite pleasing, it is well worth the effort and as I said the members involved in these days your help on the days is greatly appreciated.

We are now looking forward to our December Sanction Show with Ms Joanne Cathie doing the honours, and Mrs J Bettison doing the Open Show I hope the weather is kind to us with regards to the heat and

following on from the Christmas events we are looking to run a members competition like last year as a fore runner leading up to our Easter Show with an S.V. Judge adjudicating at this show giving exhibitors two good pipe cleaners and then on to the National in Victoria. The October two day show weekend has come and gone with one of our newer Judges doing the honours with Jessica Kada doing the Open Show and Mr Ian Urie doing the Championship Show both met with approval from the exhibitors congratulations to both of them and congratulations to the placegetters.

I would like to thank all of the committee for their diligence to their positions over the last year and to the members that did not need to be asked to lend a hand at the shows.

I have one comment to make and that is at our October Show we held on the Saturday the Tiki Friezer Memorial Trial to the tune of eight entries in the whole Trial with only one pass and to get such a poor entry for a lady that worked for the Club over a lot of years and I think that the obedience fraternity has done themselves a disservice and should take a good look at themselves. If you want different Judges to do the trials for goodness come to the meetings that we have to elect them and put them up. The trials lately have been very poor in numbers, if you have the answers to why we do not get the entries write me a letter or send me an email so we can turn this around, support your own breed the German Shepherd. Congratulations to Nad Nahas for his win and Excellent on the day.

Terry Jarvis

NAD NAHAS WITH SINGHA GREY MIST – MEMORIAL TRIAL WINNER, 192 POINTS EXCELLENT

Annual Report – Secretary

Another year is drawing to a close and again a very busy year with a great volume of correspondence being dealt with both incoming and outgoing.

During the year we have had to operate our finances in a somewhat blind fashion with the Treasurer's position having been changed three times. As a result of this we have extended the date of the AGM in order to try and have a financial report ready. To this end the Management Committee have put all account books into the hands of an Accountant who is bringing things up-to-date and at the same time simplifying our accounting system which has over the years become almost a position that requires a fully trained accountant. However we are fortunate to have this lady who will enable this position to be handled by any member of the League, the same as any other dog club, with the books ready to present for audit prior to the AGM.

The League was bequeathed as sole beneficiary to a very large monetary valued estate however this has now been contested by family member and is at present in the hands of a Solicitor and the League will be guided by him in the settlement of this estate. The League will most certainly benefit from the kindness of this member.

I would like to thank those members leaving the committee for their assistance during the past year in assisting the smooth running of the League.

We are losing our Show Secretary of over 27 years who has decided to retire and I am sure Ann will be missed by all and, as she has stated, she is not ill she is just retiring. We are fortunate in having Leeanne Lynch step into the position of Show Secretary as position which she has carried out for many years in the Newcastle & Hunter Club.

We do still need assistance in the area of the canteen which is not run as a restaurant but as a service to members in supplying drinks and light refreshments and any offers of assistance in this area would be greatly appreciated.

With our Puppy Listings service I would ask that members avail themselves of this free service as we get many enquiries for puppies and it is far better to have a list of members with puppies available to give out to these people.

A very Merry Christmas to all members and a great New Year.

Fay Stokes

Secretary

Annual Report – Breed Affairs

We have conducted quite a number of very successful Breed Surveys over the past twelve months and it appears the new concept of passing rather than the Class 1 and 2 has been very well accepted.

I did attend the Breed Commission Meeting and the Minutes from that meeting are on the League's website.

My portfolio as League Secretary limits the time I have to put into Breed Affairs insofar as arranging lectures etc., and for this reason I have nominated Jo Cathie for this position who I am sure will provide members with a lot of interesting lectures and events through the year.

Thank you to those members presenting their dogs for survey and I look forward to seeing you all next year.

Fay Stokes

Annual Report - Microchip Registrar

This portfolio is the renaming of Tattoo Registrar after the microchip number became the main form of identification for the German Shepherd Council of Australia.

A more appropriate name should be "Identification Registrar" as it covers Microchip, Tattoo (For those breeders that wish to continue with this form of identification as well) and likely to include a DNA profiling service.

This financial year a total of 116 puppies were tattooed and 28 microchipped from reports received. Most breeders utilise their vets for Microchipping at the time of inoculations. As tattooing is rapidly declining, the use of GSDL microchips will most likely follow the same path. The income from tattooing is being allocated to the welfare account.

Puppy Books and GSDL Bags are under the Merchandising Portfolio.

As DNA parentage is being introduced for puppy registrations I would imagine that this portfolio may include volunteering GSDL members that are Orivet DNA agent. I have been accepted by Orivet as a DNA collecting agent.

Thank you to those members who volunteer their time.

Graeme Stevenson
