GERMAN SHEPHERD LEAGUE
OF NSW Shepherd News

Joanne Cathie

MIND YOUR VALUABLES!!!

Some may be aware that at the December league members competition, a shady pair of characters wandered around the grounds, around the ring and among the parked cars and trailers...

Two league members had their mobile phones stolen and LUCKILY having communicated it with several other members (one of whom called the police and issued descriptions) – the thieves were approached just up the road from our grounds by a police officer, pulling the same stunt and the stolen phones were promptly returned.

This should serve to remind us all – *KEEP YOUR CAR LOCKED AT ALL TIMES ON THE SHOWGROUND, BE AWARE OF STRANGE FACES AMONG THE FAMILIAR LEAGUE DOG SHOW FRATERNITY – AND REPORT ANY SUSPICIONS TO THE SHOW MANAGEMENT TEAM/COMMITTEE.*

This letter was received by the show manager following the incident from one of NSWs finest!

16th December 2018

Leslie NICHOLAS,

I am writing in relation to the theft incident which occurred on the 15th December 2018 in which you were the victim and had your personal property being a mobile telephone stolen.

Firstly I would like to thank you for providing a statement and wish to provide the Police reference number for the matter being E72779153.

I was the NSW Police Officer who coincidentally stopped the male and female offender in their motor vehicle and conducted a search where the property was subsequently located. I was extremely pleased to have been able to arrest these offenders and more importantly, to return your property to its rightful owner. It is helping good hardworking people and results such as this that make the job worthwhile.

If you feel that you have received a positive experience with myself as the officer in charge, the handling and process of the matter or feel that the actions of myself are above average, I encourage you to respond to the Nepean Police Area Command in writing which allows recognition to be received.

I thank you for your continued assistance and support throughout the investigation thus far and will advise you of the outcome of the matter

Regards,

Leading Senior Constable P. CIOSSAK

THE GSDCA EDUCATIONAL BREED WEEKEND – HOSTED BY THE GSDL NSW

The German Shepherd Dog League of NSW very proudly hosted the first 'GSDCA BREED EDUCATION WEEKEND' on Saturday 9th and Sunday 10th March 2019. The NSW club are in the enviable position of having two of the GSDCAs education working party among their management committee – this crossover placed the league in a great position to lead the way and set the bar for the education weekend roll out across the states. Our League Breed Affairs Chair Jo Cathie, a GSDCA specialist and SV qualified breed judge, and our League Vice President Melanie Groth, the GSDCAs National Breed Registrar and breed specialist judge and surveyor, teamed up as the main drivers for the initiative - bringing a wealth of knowledge and enthusiasm together among speakers and contributors to ensure valuable educational breed content delivered in an interesting fashion. The weekend numbers were capped at 100 and interest maxed this out after only 2/3 days of advertising. Attendees present came from all corners of NSW, from ACT, from Victoria and from Queensland.

The GSDCAs education working group had identified and highlighted areas for inclusion and the presentations were as follows:

Saturday :

ZAP TEST – INTRODUCTION TO ZAP – HOW TO PLAY WITH YOUR PUPPY TO PREPARE FOR ZAP – ZAP TEST DEMO – ATTENDEE INVOLVEMENT

SANNE PEDERSEN, Sydney Dogsport Club (WGSDCA Club Affiliate)

'UNPACKING THE BREED STANDARD TO UNDERSTAND THE WAY FORWARD'

MELANIE GROTH, GSDCA SPECIALIST JUDGE, SURVEYOR, NATIONAL BS REGISTRAR, JO CATHIE GSDCA SPECIALIST JUDGE and SV Breed Judge

'PRESENTATION OF THE GERMAN SHEPHERD IN THE SPECIALIST RING – ADVICE FOR HANDLERS AND OWNERS ALIKE – HANDLERS PERSPECTIVE / JUDGES PERSPECTIVE'

KYLIE ZIMMERLE – Queensland / MELANIE GROTH – NSW

Sunday :

'TOWARD BH FOR BREED SURVEY' – BH PRESENTATION – BH DEMO – ATTENDEE INVOLVEMENT

SANNE PEDERSEN, Sydney Dogsport Club (WGSDCA Club Affiliate)

'BREED KILLERS – DISPELLING THE MYTHS ON BLOAT, *HAEMANGIOSARCOMA, ASPERGILLIS AND THE LIKE'

DR KAREN HEDBERG BVSc Sydney, NSW

'FITNESS AND NUTRITION – BALANCED TRAINING AND BALANCING INTAKE AND OUTPUT FOR THE HEALTHY GERMAN SHEPHERD SHOWDOG'

DR KAREN HEDBERG BVSc Sydney, NSW

A lovely quality education booklet was given to all participants, put together by Jo and Mel and printed at Plumpton High School in Sydney.

Sanne had additional materials for sale to those keen to learn more about the BH format. She presented background on her topics first in the clubhouse on both days then headed outside for practical demonstrations and attendee participation. She spent a lot of time helping puppies try the ZAP puppy test obstacles and tests on Saturday and showing attendees training techniques for BH/obedience on Sunday.

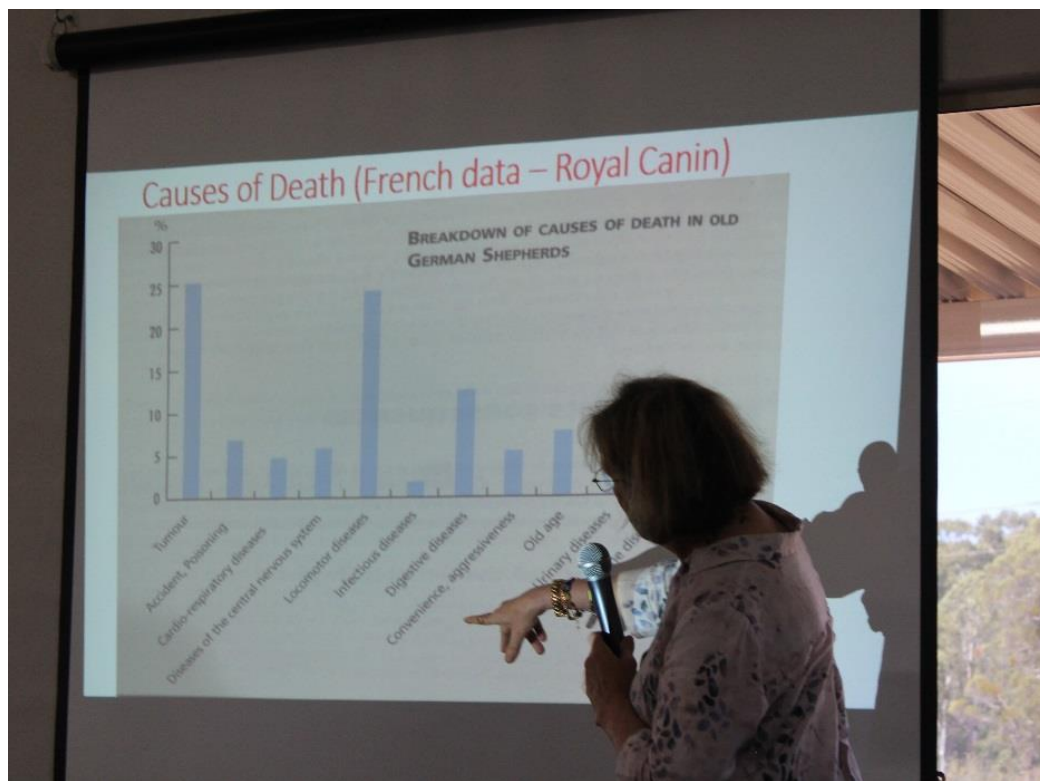

Her IPO dog Rixie was put through his paces by several keen attendees, showing that a trained dog is able to work with anyone. These presentations dispelled many myths about the ZAP test and the difficulties with training for BH and Sannes bubbling enthusiasm spread through those listening like wildfire. Many young dogs were brought into a whole new situation to try something new and showed the real keen trainability of the german shepherd breed.

The presentations on understanding the breed standard and Kyli's show presentation demo were very well received and encouraged plenty of discussion among the groups, hopefully also encouraging a new way of looking at what most of us already do.

The breed standard presentation originally based on the NBC chair Jenny Yuens presentation for judges and surveyors was adapted by Mel and looked to make breeders and exhibitors actually recognize the faults and attributes of their own dogs and consider these when looking to breed onward. Furthermore, it hoped to highlight where critiques can be subjective and show that variations will exist naturally in opinions among judges to some degree and certain types or styles of GSD will do better under one judge than another.

Kylie was assisted by Melanie and by Jo with GSDs Havoc, Trixx and Tallii, each at different stages of learning in show presentation. This seminar also gave the group a rather rare chance to hear Kylie speak publicly on handling techniques and to ask her questions from the floor.

Sundays presentations by Dr Hedberg were intended as a 'mythbuster' with some of the lesser discussed breed killers discussed. Her nutrition presentation impacted many of the crowd on the road to our upcoming national and I for one introduced electrolytes to my dogs for training and travel immediately.

Lunch and morning and afternoon tea were provided by the Mid North Coast Branch of the GSDL NSW, as were items for the raffle on the day. The raffle raised \$200 dollars which was given thus - \$100 dollars in thanks to Plumpton High School who had printed the full colour education booklet for the weekend, and \$100 in thanks to the host club the League to be put toward training equipment for the members for ZAP and other disciplines.

The heartening attendance was in keeping with the very positive atmosphere over the whole weekend and the excellent feedback afterward.

The league will look to provide further educational events for the membership at regular intervals including those put forth by the GSDCA as well as those initiated by breed affairs. And ideas for future topics should be directed to the breed affairs chair.

GERRY VOM SCHACHER

NATIONAL GOLD MEDAL WINNER 2014

NATIONAL SILVER MEDAL WINNER 2012

SIRE OF EIGHT INDIVIDUAL NATIONAL CLASS WINNERS, INCLUDING SEVEN MEDAL WINS

Imported in 2011 by FREMONT GERMAN SHEPHERD KENNELS (S,L and J Lynch) he was handled to his silver medal by Craig Rice and to his Gold Medal by Hazel Docherty who remain influential in the careers of his progeny here in Australia. His last appearance was leading his progeny group at the 2018 NSW State Breed Assessment where at 9 years of age he set the pace for his young progeny. It is to his credit that his last litters arrived shortly after his passing, and his eldest children are showing in open classes over seven years old, showing real longevity in his popularity as a sire. He lived his last three and a half years out as king of the castle as CINDERHOF GERMAN SHEPHERD KENNELS, remaining at his mums side.

While all of the above makes us justifiably proud of Gerry, it pales into insignificance compared with his value as a breed ambassador. He has been a much admired and much loved male among the fraternity for many years and his many achievements have given us so much pleasure – but this was wholly due to his beautiful german shepherd character. The most unassuming, undemanding dog we have known he strove to please us, however he thought we wanted. Even in the end, as he declined, he remained a constant gentleman and it was with the heaviest of hearts that we had to bring an end to his discomfort.

Many dogs make a mark on the breed. Many win, many produce, and many are special to their owners. Few touch the lives of as many as Gerry did and we will be eternally grateful for all that he has done for us. Our kennels are built on his broad shoulders. Truly irreplaceable. Unique for a hundred reasons. A male like no other. A loss that is hard to bear. 2009 – 2019. Our number one boy – GERRY x

FROM THE PUBLICITY OFFICER

Dogs in the Park at St Ives went well. It was well organised with the main aim to educate the public on responsible pet ownership. There was a strong presence of veterinary stalls including SASH, food companies, rescue groups and many activities for the public. We were set up beside the Dogs NSW stall. We had people with older GSD pups enquiring about obedience and membership as their breeder had not passed club information on. Thanks to the Coppini family for coming down with Huggy and mixing with the public and their dogs. Ken and Darian Northcote also popped in for a chat. A great day and venue. Awaiting official photos.

We had a film shoot for Channel 7 with 5 members and their dogs on the 15th March. I will let you know when it is on. Thank you to those who attended as it was lots of fun.

Our next promotion is the Sydney Royal on the 23rd April where we will have 3-4 dogs and 3 committee members.
