

EASTER CHAMPIONSHIP SHOW – APRIL 3RD 2021

JUDGE: MS JANE PIKE SA

Thank you to the German Shepherd Dog League Inc for the invitation to judge their Championship Show in 2020 which was delayed until 2021 due to COVID. Thanks to Terry, Pam and Fay for looking after me on the weekend, Ken for Stewarding and of Fay stenoing.

I was humbled by the entry that I received and as a general observation the depth of quality in the classes was very good. The weather was amazing which made the event even more pleasant. Was surprising to see such a small Junior Bitch class given that is usually one of the largest classes in a show. With 137 entries less circa 29 scratchings to cover, I was very conscience of keeping the show moving which meant the Club did not get to try out their new lights at the end of the day!

Overall, I noted animals with very good height to length body proportions, with only a handful that appeared compact in proportions. The more compact animal had the tendency to have short under chests and steep croups. There were a few animals that presented with slight peaks in the top line and this seems to appear in the animals that are just a little over angulated and in the younger animals it could be a stage of their development. Hocks overall were good. It was pleasing to view my placings, particularly in the larger classes, to see animals of similar type through the line ups, in both the stock and long stock coat varieties. Given the amount of stud dogs based in NSW this was very pleasing as there is such a melting pot of animals which have been imported and reside in the State. Consistency of type is unfortunately lacking in other states at present.

The eye colours were mainly medium to dark and dark masking was prominent. Bone strength was good to very good in most of the animals.

In the young classes, my SC baby bitch winner Aimsway April (Django x A. Homespun) was a standout in the class and owned the ring from start to finish. My favourite class of the day, which oozed depth, was the Puppy Bitch class. The first four were all far above average in quality and for their age, were very clean both in over and under lines. On a given day, any one of these animals could have won the class. For me the Xander vom Grabfeldgau daughter Astasia Suri shone out.

The LSC Junior Dog winner and eventual Long Stock Dog in Show Lettland Flint (AI) AZ, an all black dog of very good type, impressed me with his coat condition, bone strength and movement. This dog effortlessly gaited and maintained his top line with a high wither throughout the walking and fast gaiting exercise.

Thanks to all of the exhibitors for their sportsmanlike conduct and for presenting your animals to me.

Jane Pike
