## END OF YEAR REPORTS

### SHEPHERD NEWS EDITOR –

I can only apologise for the lack of Shepherd News' editions through 2021 but thanks to covid restrictions crippling activities in Sydney we have experienced a full shut down of activities throughout the middle of the year. I hope that our 2022 newsletters will be bursting with a full resuming of club activities and full compliment of shows.

I have tried to add some background to the winners of the pointscore trophies, but purposefully made little comment on young puppies, as they are yet to fulfill their early promise and I think further comment is premature. Apologies in advance to those who may not like the idea.

Please contact me with any ideas of what you might like included in Shepherd News and remember advertisements are also welcome and will reach every financial member of the GSDL NSW.

### PRESIDENTS REPORT

Welcome back to the land of the living Members, it has been a trying year for all of us and we hopefully can look forward to a better time in the future. Covid certainly put a stop to a lot of our activities this year. We had some training at the beginning of the year but the lockdown beat us and we were all out of action. Training in both Obedience and Show are now back on the agenda for the last two weeks now and then there is the Christmas break and back in Mid-January 2022. Time and dates for cessation and recommencement of training will be posted on our Website and face book page so keep an eye out for these dates.

Committee meetings were cancelled and also General meeting, the general committee that had to maintain in contact if their positions had anything that needed attention, thank you to the committee members that had to keep going during the lockdown and especially to Fay Stokes, Dianne Coppini, Tony D'Arcy who kept the engine room running with accounts that come in to be paid and banking and general duties working in with Dogs N.S.W. Etc.

It was a shame that we had to miss the National Show and also the State Breed Show which everyone was looking forward too but we are gearing up to 2022 for these Shows to fire up again, The Trophies for these shows are in storage in most areas the dates set and one just waits in hope that we can push through the last little bit to enable us to at last get them done in 2022.

On a sad note the fraternity lost two longtime members of the GSDL just recently! Firstly Allan Butler who was a member of Cumberland Branch going back about 20 years, Allan was an Obedience Judge and over the years had many appointments at League Trials and was very popular as a judge. And secondly John Nolan who was a member

of Campbelltown Branch for a number of years and donated to many of our shows Leads and Collars under the Brand of Leather Works for Dogs. Both Allan and John will be missed by all that knew them.

The League has donated to German Shepherd Rescue (Linda Pierce) on a number of occasions in this last year as part of our obligation to help in the care, welfare and placing of Shepherds rescued from the pounds or surrendered. Linda does a tremendous job in this area with her hardy crew of workers. These donations to this organization were made possible by the kind donations made by members in their memberships and league funds.

We look forward to a brighter future in 2022 with the National coming up at last and hope that the Shows already set down as well will come to fruition over the whole of 2022. And a big thank you to all that helped throughout the year.

Terry Jarvis
