December Championship Show 2021
Judges Overview

I would like to thank the Club for the opportunity to officiate at the show and the exhibitors for their support. A big thank you is extended to my stewards Matt and Caryl Morris, and stenographers Leanne Lynch and Margaret Barnes who provided very good support and made the day most enjoyable. The show was well organised and ran smoothly. The weather was warm and clear after considerable rain during the week. Despite the wet ground the exhibitors showed great sportsmanship and support for one another. The limited number of handlers puts a strain on the pool and more young people need to be encouraged to participate in all aspects of GSD and Club activities. These people backed up enthusiastically and their attitude help make judging a pleasure.

There were 92 animals entered and 21 scratchings. Overall, the quality was very good with a few stand out specimens. These included the Best Dogs and Bitches both long and stock coat. Generally, the hocks were firm and the height mostly within standard. Many of the exhibits represented in the young class were from the one sire, Chili Della Valcuvia (Imp Uk). Notably evident was that numerous exhibits in the young classes were very well coloured, stretched in proportions, somewhat erect in neck carriage with slightly open fronts, medium to slightly light eye colour and good strength of head where the planes of the skull could be more parallel. Two exhibits were ungraded due to temperament. All exhibits presented in the open classes received the "Excellent" grading.
