

Entry: Total 90 entered (57 Stock Coats, 33 Long Stock Coats) 85 exhibited.

The show commenced at 8.00 am with a break at 12.30 pm. A special thank to Yvonne, for the delightful breakfast & lunch. The weather was quite warm, 32 degrees.

The entry numbers was very good. I would like to thank all the people that have entered the show. A special thank you to the GSD League committee for the invitation and their hospitality.

The overall quality of the animals presented on the day was very good to excellent with just a couple of animals that received the grading of good, also two dogs was ungraded. One for failing the gun test and one due to the anatomical construction. All animals measured within the standard size range, with the majority having very good heads and the desired dark eyes and correct, set and shape of ears. The croups where quite good ,with straight firm back, in some case the where few animal with slight short underlines. Overall the angulations where very good, in some cases some slightly deep hindquarters.

The Best Short Coat Male came from the Open Class *Khayem Revelation, a well pigmented dog ,presented in a dry and firm condition, free of exaggeration. The Best short coat Female came from the Open Class *Ch Vladimir Supercalifragilistic, an absolutely beautiful harmoniously constructed, female of the desire type, free of exaggeration and excellent conformation. The Best Long Coat Male came from the Open Class *Eroica Jethro also a very well constructed male of very good proportions. The Best Long Coat Female came from the Open Class *Ch Eroica Nova.
