## GSDL Breed Affairs Report February 2023

**ZAP Assessment** conducted on 11 February Seven animals presented and passed their assessments on 11 February held in conjunction with our first Breed Survey of the year. Spaces were limited to 8 due to time constraints and personnel. Unfortunately, one pulled out on the day and there was no one to fill the vacant spot left by that dog. This was the first ZAP assessment conducted by the GSDL. Several attempts to run one were quashed last year due to the horrendous weather events and state of the grounds that plagued us in 2022. Thank you to Alastair Henderson (recently appointed Obedience Chair GSDCA) and Julie Urie (Former Obedience Chair and author of GSDCA ZAP Manual) who travelled up from Victoria to provide guidance and support to the GSDL team in my absence. Firstly, thanks to Chelsea Bird who organised the schedule for the day and assisted throughout. Big thanks to Jo Cathie who assessed the dogs alongside Alastair. Lots of learning taking place on how we can improve the system and processes for future dates. There are plans to hold another ZAP assessment later in the year. Chelsea has agreed to be the Registrar for ZAP so we will need to implement a system that is easy to follow and transparent. Thanks ever so much to equipment organiser Greg Jones for making sure everything was in place for the Assessment Team. The feedback has been very positive.

**Breed Survey** The first Breed Survey for the year was also held on 11 February. The survey start time has been 10am now for the last 12 months so it is important that this is made clear to all involved. **Eight dogs** were classified on the day. Next survey will be held 2nd April and there will be a survey conducted on the Thursday prior to the commencement of the National in Melbourne. Important also to note that the ACT club have a survey scheduled 21 May should you live down that way. [GSDCA Breed Survey Calendar 2023](#)

Future Events feedback I'd like feedback and guidance from the committee about when they would like to schedule the next ZAP assessment. It makes sense to hold them in conjunction with days the Breed Surveys are held as the Survey team are the assessors, however I believe we would need to adjust the time the surveys are held in order to do this without disruption. Perhaps this could be discussed. I am unable to make the committee meeting as I have commitments at work on the evening of 22 February.

Mel Groth

**Whiskey** - Born May 12<sup>th</sup> 2009, and having a wonderful life.  
Whisky is proudly owned and loved by Hiroko Takahara

**Angel** –My beloved Angel, Unshaus Storm's Miracle Z was born on 25th January 2010 and has now attained the grand age of 13 years Angel came into the world via a very difficult breech birth, the bag had been broken for some time and just her little feet protruded which made it very hard to get her out. When I finally managed to get her out she was lifeless. I worked on her for over 20 minutes without being able to revive her and then I saw her little tongue move so I kept working. She was called Storm's Miracle as we had only lost her great grandmother Storm, Karlrach Centre Stage A Z Excellent Merit at age 14 years two

weeks prior to her birth. I felt that Storm was with me that night. Angel was so tiny and too weak to suckle so I fed her every couple of hours for over a week until she was able to suckle and hold her own at the milk bar Angel did not gain her A stamp and therefore was not a show dog but that has never stopped her from doing anything and she is still very much enjoying life. She especially loves the pool. She has been my constant companion, never taking her eyes off me, she epitomizes everything that a GSD dog is and has been the most divine dog to live with I will miss her terribly when the time comes" Hetty Choy
